

St Erme Neighbourhood Priority Statement (NPS) Pre-Submission Consultation

The St Erme NPS gives the community a say in the future of the parish to ensure that appropriate development is guided by local need and benefit to the community and does not detract from the rural feel of the village, its local environment, heritage, landscape, and economy.

Through the consultation process you have had an input in the future of your parish and the draft St Erme NPS has been written.

We are now ready to hold the 'Statutory Consultation' between 28th August 2026 and 12th October 2026.

WHY IS IT IMPORTANT?

Once NPS is completed Cornwall Council 'must have regard' to the St Erme NPS when preparing its "Cornwall Local Plan" 2030-2050.

This gives you a real say on the future of your community.

THIS IS YOUR PARISH—HAVE YOUR SAY

A copy of the St Erme NPS and how to respond can be viewed at www.stermeparishcouncil.org.uk or come along to one of the consultation events above.
