

CONSULTATION

Please take time to complete the following questionnaire.

Following our initial survey carried out in 2015 and consultations since; we have collated all the comments and have put into statements the main points highlighted

We would like to know if you agree with these statements

Everybody in the household can contribute including children; additional questionnaires are available from the parish clerk, Trispen Stores or at the St Erme Community Centre.

Please return the completed questionnaires to a designated box at Trispen Stores, or download a PDF version on the council's website and e-mail to stermepc@btinternet.com, or post to the clerk at 1 Forestry House, St Erme, Truro TR4 9BW by 23rd June 2017

Under 1 year	<input type="checkbox"/>	11 - 20 years	<input type="checkbox"/>
1 - 5 years	<input type="checkbox"/>	Over 20 years	<input type="checkbox"/>
6 - 10 years	<input type="checkbox"/>		

1 Housing

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

***Any section left blank will be classed as a YES**

	Future development should be for local need only - Housing Needs Survey
	Any future development should provide a good mix of housing suitable for all generations, disabilities and retirement properties - to suit local need
	Any future development should focus on suitable brownfield sites first
	The provision of self-build plots within new housing schemes will be considered if a local need is highlighted.
	New housing to be in keeping with the 'St Erme Local Landscape Character Assessment' and the 'St Erme Village Design Statement'

Please note the St Erme Housing Needs Survey will form part of this section

Please state why if you have said **NO** to any of the above

2 Infrastructure

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

***Any section left blank will be classed as a YES**

	Developers must ensure there's adequate service connections and infrastructure prior to any future development.
--	---

Please state why if you have said **NO** to any of the above

3 Open Spaces

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	Any new developments must make provision for open space
	Open space should be suitably linked to the community
	The open spaces we have should be protected
	All the communal open spaces for community use within the Trevispian Parc Estate should be protected irrelevant of size and ownership
	Open spaces should be suitable for all ages

Please state why if you have said **NO** to any of the above

--

4 Highways

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	Any future development must contribute towards a safe commuter cycle route to Truro along the A39.
	Traffic calming measures are required along Trispen Hill, Chapel Road/School Lane and Eglos Road
	Any future developments to include at least two car parking spaces per household, plus additional visitor car parking suitable for a rural village
	Any development in the area of Chapel Road must not put further pressure along this narrow road due to safety and lack of parking provision
	Any development that could put further pressure on Eglos Road would need to address existing parking issues
	All new roads must maintain clear access for emergency vehicles
	All new developments must incorporate pedestrian routes designed to integrate new housing and residents with the existing village.
	Any alterations to the highway should include dropped kerbs for easier access for pavements, as with any new development
	'Public Rights of Way' to be maintained and signage upgraded and replaced when necessary

Please state why if you have said **NO** to any of the above

--

5 Historical and Natural Environments

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	The ancient field patterns at Trevella Valley north of the village should remain as they are important historical features
	The Medieval Woods at Tregassow should be safeguarded
	Any alterations to historical or listed buildings must be in keeping with the historical character of the area in which it sits
	The boundary milestones and finger posts are important assets and should be protected, to keep the rural feel of the parish
	Historical assets that are not currently listed, such as the Methodist Church, the Water Pump at Churchtown, Phone Box at Trispen Hill, the old School House and Railings, and Public House should be protected as important historical features of the parish
	Local wildlife and biodiversity is important especially the Nature Reserve and Ponds at Trevella which should be protected
	Cornish hedges and hedgerows should be protected where possible

Please state why if you have said **NO** to any of the above

6 Rural Dwellings

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	Some diversification of existing farms to support core businesses will be supported where there are no negative impacts on the landscape or neighbours
	Farming communities need to be able to improve/convert unused barns to dwellings on a small scale for local people
	Any barn conversions should be in keeping with the original character with sympathetic materials; as not to detract from the rural historical nature
	Conversions and diversity applications should be tied/attached to the farmstead.

Please state why if you have said **NO** to any of the above

7 Leisure and Community

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

***Any section left blank will be classed as a YES**

	Existing facilities need to be protected and maintained before the implementation for further equipment/areas
	To look at extending the Community Centre with Phase 3 to include an indoor sports hall and facilities
	The loss of any existing community / recreation facilities will not be supported unless appropriate replacement facilities and services can be provided in a location suitable / appropriate for the community

Please state why if you have said **NO** to any of the above

8 Landscape

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

***Any section left blank will be classed as a YES**

	The avenues of trees that line the rural roads around the parish are an important natural feature helping the village to retain its rural feel
	Natural woodlands, native trees and hedgerows in and around the village help to keep its rural nature and break up the built environment; providing a soft border to the village boundaries leading into the open countryside
	The approaches to the village must retain the rural feel and not be prominent

Please note 'The St Erme Local Landscape Character Assessment' will form part of this section.

Please state why if you have said **NO** to any of the above

9 Renewable Energy

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	Solar panels should be encouraged on roofs of houses, community buildings and commercial buildings rather than fields
	New builds should consider renewable energy such as ground source heat or solar panels

Please state why if you have said **NO** to any of the above

--

10 Business

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	Small businesses should be encouraged
	Small cottage industries on farmsteads to allow for diversification and sustainability
	Light industrial units if the need is shown could be considered along the A3076 corridor to the north of the village, but should not impede on the village views, landscape and amenities
	Businesses could give employment opportunities for local people
	It is noted that the village shop is now landlocked, if the need requires suitable land may need to be sought
	The provision of the local shop, post office and public house are important in helping to retain a sustainable rural village

Please state why if you have said **NO** to any of the above

--

11 Education and Adult Learning

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	The land around the school should not be developed without allowing the school to expand, this is important for the sustainability of the village
	Adult education classes to be considered if the need is shown

Please state why if you have said **NO** to any of the above

--

12 Health Provision

Do you agree with these statements:

Please place a YES or NO in the space provided next to each 'Statement'

*Any section left blank will be classed as a YES

	We can inform Doctors surgeries of a need for a local surgery
	We can work with surgeries to provide a venue in existing facilities for a drop in surgery or consider land/premises if approached.
	Look at the possibility of a voluntary drivers service
	Look at a pharmacy delivery service in the area

Please state why if you have said **NO** to any of the above

--
