SHOULD WE PRODUCE A NEIGHBOURHOOD PLAN?

Your views are important to us!

You will shortly receive a survey through your door, every person in the household can respond. Additional copies will be available from Trispen Stores and the St Erme Community Centre.

Please take time to read the information and return the survey.

We need your support to take this forward.

Do we Really Have a Say?

This is a real opportunity to have an active say in the future of St Erme Parish. The plan cannot be produced without you! We need your help in identifying key issues and your input in the plan is vital. Remember the plan will only be adopted after a local referendum of the parish.

What if we do not produce a Neighbourhood Plan?

The future growth of our parish will be governed by National and Cornwall Local Policies and not adapted to our parish needs. If we do not have a Neighbourhood Plan it will be harder to fight for what is right for us as a community.

Would you be interested in helping by-

- Contribute to ideas and suggestions
- Getting involved on the committee or smaller working parties
- Volunteer to help create the plan by delivering leaflets, designing, planning, or help with any specialist knowledge that you feel would assist in its production

Please contact the clerk for further information
