Any other comments:

- We live directly behind the school field; our garden is short only 6ft. This will be directly behind us. Height and noise is a concern
- More trees around the village and more dog fouling signage

- Need to update Tren creek Park and the school park gets lots of parents after school. More swings picnic benches
- Well done and good luck with all you do
- Parks are rubbish and not much to do rusting and breaking
- Landscape, shrubbery at Truthan View
- The skate park should have the main funds if enough interest. The rest we can add too at a later date when we acquire enough funds
- More picnic tables in Cricket Field. A bin by bus shelter in football field
- Bins at Bus Stops
- Litter bins at bus stops
- Thank you for all your efforts - it's nice to feel included and like our opinions matter (something) we have not experienced in the previous two parishes we lived in
- As many bins and seats as we can have
- Dog bins
