Dear Ms Ball

Re: St Erme Parish Council – Application under Part 2 (5) (1) of the Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area

St Erme Parish Council hereby gives notice that it wishes to make an application under Part 2 (5) (1) of the Neighbourhood Planning (General) Regulations 2012 for the designation of a Neighbourhood Area for the St Erme Neighbourhood Development Plan.

The area for the Neighbourhood Plan will be the Parish of St Erme, please see attached map.

The Parish Council considers the area appropriate to be designated as the Neighbourhood Plan area for the following reasons:

- The area already has legal and administrative status
- The designated Neighbourhood Plan Area is the current boundary and administrative area of St Erme Parish Council. The Parish Council feels the plan should address the needs of the whole of the parish.
- We have held two public meetings and carried out a survey which indicated community support for the development of a Neighbourhood Plan

The parish council resolved at their meeting held on 1st February 2016 to make this application under Part 2 (5) (1) of the Neighbourhood Planning (General) Regulations 2012 for an area comprising the whole parish to be designated as a Neighbourhood Area.

We look forward to hearing from you

Regards

Mrs S Trethewey
