

St Erme Horticultural Society

The St Erme Horticultural Society stages the **Annual Village Show** held in August. Over the years the show has been held in various places around the village including the village hall, the old school and the new school buildings. 2019 sees the 90th show staged by the society and its current venue is the St Erme Community Centre.

The show consists of adult and children's classes including flowers, plants, vegetables, fruit, floral art, cookery, photography, art and handicrafts. As well as the array of exhibits on show there is also a raffle and an opportunity to purchase a cream tea.

The classes and details of how to enter an exhibit in the show are printed in the **show schedule**. The schedule and entry forms can now be found on the parish council website. Paper copies are available from the end of May from Trispen Stores, the Community Centre, from Society Secretary Helen Cole or from our Facebook group Page.

The society meets two evenings a year for a pre-show meeting in June and a post-show AGM/schedule update meeting in November. New members are always welcome.
