Visions of the Dark Peak

Stretching away up through the clouds
The mountainous terrain
Climbing further climbing
Til a cloud itself became
Sun streaking cold and grey
O'er the misty mountain high
Every gemstone boulder
A stairway to the sky
Sun streaking cold and grey
O'er the misty mountain high
Every gemstone boulder
Quake, conquest is nigh.

Imagination

Under my bed I saw a bear
It was woolly, large and brown
But all that Mum discovered there
was my favourite dressing gown

Hiding behind the old armchair
I saw a tiger fierce and fat,
But as I approached its lair
I saw it was the neighbours' cat!
