Neighbourhood Plan for St Erme

The Steering Group have now held their first meeting, and will meet at least once a month to take this forward.

The group consists of 4 parish councillors and 6 members of the community.

We will be looking at setting up a web page and will also use social media to keep you updated along with the usual updates in the Village Voice and local noticeboards.

More information will be available shortly and please get involved on forthcoming consultations.

This is your community make sure you have your say!!

Open Spaces Consultation

Following the consultation regarding the Open Spaces and the availability to claim monies from a S106 Open Space allocation of **£63,391.00**;

we have collated all the information from the completed surveys and have arranged a meeting early in January with the various committees and landowners involved with these open spaces.

We should then be in a position to arrange another consultation for you to have a say on the top priorities highlighted in the survey

Please keep a look out in the noticeboards for further information.

A39 TRISPEN ROAD RENEWAL

Works are progressing well, and Cormac currently anticipate (weather depending) completing the section of works from the Trispen North Junction to Carland Cross by 18th December.

When they return on 4th January 2016 they shall still require the same road closure arrangement as was currently in place for an additional week.

From the 10/11th January 2016 they shall be closing the section between Trispen North and Trispen South only, with access to the village from both Buckshead and Carland Cross. The works period for this section shall be 4 weeks, following that they shall progress into the narrow section.

Need more Information?

If you have any queries please contact the team by calling: 0300 123 222 or calling the number displayed on the site signs.

The works are being delivered by CORMAC Solutions Ltd. Every effort will be made to cause minimal disruption to residents and visitors to the area.

All stakeholders will be regularly informed of progress.

Please be assured that we will do all we can to minimise construction impacts for everyone and your patience and cooperation is appreciated while these works are underway.

For your own safety we trust you will work with us on the project, and take particular note of any revised road or footway layouts, and follow the signs as directed.

If you would like this information in another format please contact:

ST ERME EMERGENCY PLAN

About the 'St Erme Emergency Plan'

St Erme Parish Council and members of the community work together to be better prepared with dealing with emergencies such as snow, major fire, or any other incidences that could have an effect on the community.

We were first approached by Cornwall Council in 2010 to pilot this project and were the first community to have completed and tested a Community Emergency Plan.

Committee

A committee was formed consisting of members of St Erme Parish Council and members of the community, who are the coordinators of the plan.

We now have a list of 70 volunteers and wardens with different skills which could assist in an incident.

We meet every six months to review the plan and update any necessary changes.

We are now looking at providing a quarterly newsletter to all the volunteers to keep everyone up to date.

At our last meeting we discussed working with our neighbouring parishes of Ladock, St Newlyn East, Probus, St Allen and St Clement some of whom have their own plans or are now working towards one.

We feel that it would be good to liaise with each other and have the contacts to assist each other, and to share experiences and knowledge.

There are currently grants available to claim from Cornwall Council up to the value of £500.00 towards Emergency Plans that are already up and running and it was agreed to ask the parish council to apply on our behalf towards general administration costs and publicity.

During this meeting we also discussed the possibility of a defibrillator for the parish and the possible funding that may be available. We are in discussions with the parish council and hopefully will be able to take this forward.

Within the plan we like to keep an up to date list of properties that use gas cylinder's etc. If you have gas cylinder's at your property please contact the clerk on the e-mail below so we can list these in the plan. This helps if there is a fire and we can highlight an area that may have gas cylinders in the proximity.

If you would like any further information or would like to volunteer or be involved with St Erme's Emergency Plan please contact the clerk at stermepc@btinternet.com or on 07525130663

MEMBERS OF THE COUNCIL AND THEIR CONTACT DETAILS

**Cllr Robert Trethewey:**

1 Forestry House, St Erme

Meetings:

The Parish Council meets at 7.30pm in St Erme Village Hall usually on the 1st Monday of the month apart from August, unless otherwise stated.

Members of the public are welcome to attend any meetings and are given 15 minutes during public participation to discuss any items on the agenda.

Occasionally there may be extra meetings when required due to planning application deadlines or any urgent business that may arise and the venues of these meetings may be different, please check on the agenda.

The agendas of all meetings are displayed in the notice boards three clear days before.

The next meetings of the council are as follows:

Monday 4th January 2016, 1st February 2016, 7th March 2016, 21st March 2016 (Annual Parish Meeting)

Committees:

Members of the council are appointed at each Annual Meeting to represent the council on various committees and outside bodies. Please see the list below of appointments:

Cornwall Association of Local Council's: *Cllr S Jones and Cllr Pound*

Public Rights of Way: *Cllr Holt*
