St Erme Neighbourhood Plan

The Neighbourhood Plan's Steering Group's 3rd Newsletter was distributed at the beginning of April, which you all should have received.

The draft 'Local Landscape Character Assessment' consultation event was well supported with 13% of the electorate of St Erme attending - 130 people.

We thank those that attended, contributed and volunteered at this event.

This document will now form part of the 'St Erme Neighbourhood Plan'

The next consultation !

During May you will be receiving a survey through your door with statements about areas such as highways, business, open spaces, historic environment, landscape, education, health, infrastructure and housing.

These statements have been taken from your comments from the previous survey carried out in March 2015 and from all the events held since.

We would like you to complete this quick survey and return by the date stated. The consultation will take place over a three week period.

Please keep a look out on the parish noticeboards, Facebook, leaflets, and website for further information.

Please look out for this survey and respond by the date shown.

This is Your Parish have Your Say!

Once this consultation has taken place we should be in the position to start writing up the Neighbourhood Plan document and the policies that will form part of this.

Update on the S 106 Monies

We have now received confirmation from Cornwall Council that our projects throughout the parish have been accepted and that we can now go ahead order and install the new equipment and seating around the village.

During these works can you please be patient, as there will be some areas that will be required to be cordoned off during these times.

Wicksteed will be supplying and installing the main equipment and the relevant Health & Safety requirements will be in place.
