CPR & Defibrillator Training

The defibrillator is now ready for use if required on the outside wall of Trispen Stores. The defibrillator can be used by anyone and you do not require any training to use it, as it talks and prompts you through the process.

The group however would like to offer local people to come forward and undertake some training on using the Defibrillator and CPR, as the British Heart Foundation have given us a training pack to be used as part of their grant process.

We have already held informal training for the volunteers of the Emergency Plan and community organisations.

We would now like to offer the same to any parishioners who would like to attend CPR & Defibrillator training. If you are interested in attending a session please register an interest through the clerk by e-mail at stermepc@btinternet.com or by calling 07525130663.

Please state your name contact details and preferred time (e.g. Saturday or an evening). We will then arrange more sessions to hold further events as required

Please register your interest by Friday 22nd September 2017.

Sponsored and funded by Trispen Post Office & Stores, The British Heart Foundation, Cornwall Council and St Erme Parish Council

New Play Equipment & Outside Gym Equipment

The new equipment should now have been installed around the village.

The outside Gym Equipment and Toddler Equipment is at the Trispen Football Grounds.

There are new picnic benches and litterbins at both the Football Field and Cricket Field.

At the school park you will find some new Junior Equipment which includes the 'Nest Swing' which was very popular through out the consultation stages.

There is an additional picnic bench here too.

Gates are being installed at both the entrances of the school playing field for safety

Two news seats and a litterbin are located at the St Erme Church Yard and at Truthan View there is a new picnic bench, seat and litterbin.

This equipment was agreed following two consultation events held where over 100 people attended each event. These monies came from the Section 106 monies from the development at Truthan View.

Thankyou to everyone who responded to the consultations over the last 18 months and Ernie & Nick Dymond for storing some of the equipment.

St Erme Neighbourhood Plan

Thankyou to those of you that attended our stand at the Annual Fest on Saturday 29th July where we had the results of the last questionnaire and a chance to comment further on the rewording of some of the statements. We also clarified some points raised during the process and there was a further survey on 'Traffic Calming'.

Although the weather wasn't brilliant the day was very well attended as usual.

Please keep a look out for the next NP Newsletter, Facebook updates and further information on the council's website and noticeboards.
