
THE ST ERME AND TRISPEN VILLAGE VOICE

Issue 129

March/April 2018

Well, here we are - nearly spring. Splashes of spring colour all around. Today I've done a wonderful long walk across the Perran sand dunes and along the empty beach. I've collected and disposed of a sack of plastic litter whilst walking along the beach, sadly there's more on the beach than there was in my sack but at least that sack full won't end up back in the environment.

So, on the theme of environment - the Funday AGM was at the end of January. This magazine is funded by the Funday Committee and whether a printed version is valuable was again discussed. We did a questionnaire some time ago and had limited responses however those who did reply were largely in favour of keeping a printed magazine. Those members of the community who attend groups such as the WI, Silver Circle etc will be asked for their opinions by members of the Funday Committee so I thought it might be useful to outline how this publication is created to help you if you are asked about whether the magazine is valuable.. Every stage of the process is done by volunteers. The only cost is the printing but the magazine does make a loss with the advertising not covering the costs of printing. Additionally the committee will look at whether there should be a change to the advertising costs.

So this is what we aim for and why it takes a while from entries deadline to the finished printed document arriving on your doormat:

Day 1 (Deadline day) - Contributions are sent to the editor, by the deadline (mostly)!

Day 2 - Some contributions require conversion - these are sent to the printers who do this free of charge and usually the same day.

Days 3, 4, & 5 - The entries are patched together to make the publication a multiple of 4 pages. It can be a bit like doing a jigsaw puzzle with pieces missing. (This usually takes 3 or 4 days but depends what else I've got going on).

Day 6 - The draft magazine is sent to the Funday committee and Proofreaders.

Day 8 & 9 - The magazine is sent to the Printers in North Cornwall who print and deliver by Courier.

Days 10 - 14 The magazine is delivered to a band of willing volunteers who in turn deliver the printed final document to you.

Annually, the Treasurer invoices all advertisers from the past year.

Carol and I were very pleased to hand over £830.00 to the Cornwall Air Ambulance, all from donations for our Golden Wedding celebrations, we also received gifts, and many cards of congratulations.

We have loved moving here and are pleased to be part of a wonderful community.
Thank you

Carol and Geoff Bonsall

IMMINENT CLOSURE

I guess it is not a new concern of the modern age that the minority always spoil it for the majority but a problem that has always been present with us.

Farmers have been privileged over the years for being allowed to apply for permission to apply for a licence to enable them to burn hedge trimmings. Having lived on the edge of the village of Trispen all of my life, we as a family have tried to share with the community some of the privileges we enjoy living on a farm.

For a large number of years we have had a bonfire site in the field on the left of the lane leading to Tregassow. Over many years we have allowed members of the local community to bring their garden cuttings there to be burnt on a weekly basis. Unfortunately over the years this facility has been greatly abused by a minority of people. We have had cookers, fridges, washing machines, car parts, mattresses, sofas, bags of cement and concrete blocks. All of which are obviously non burnable and we then have to dispose of them.

Since Christmas [written on the 18th January] we have had bags of household rubbish, all of which get split and the contents have to be picked up by hand including nappies. A black bag full of bottles, a black bag full of tins, again split and now have to be picked up for recycling, a quantity of carpet and underlay and three lumps of concrete too heavy for me to lift.

Why should we continue to offer this facility to the village when this type of abuse is taking place on a regular basis? Disappointing to many I know, but also disappointing to us, as a family.

The facility will remain open for the time being to allow everyone to start to make alternative arrangements for their garden waste disposal.

INSPIRING WOMEN

ST ERME W.I.

January started with our traditional New Year Lunch held this year at the Bay Tree Café, Goonhavern. Everyone thoroughly enjoyed their meal, with a good few doggy bags being taken home, paying testament to the size of the portions served. We were very pleased to welcome two new members to the gathering and hope that they will enjoy future activities with the W.I.

On the 19th January, a team composed of Sylvia Caple, Judy Pearson, Margaret Simmonds and Jo Collins joined with 23 other teams from across Cornwall, competing for the Cornwall W.I. Quiz Championship. The Quiz went well for St Erme but sadly the team finished just 4½ points behind the winners – such a good effort. An excellent tea provided by host W.I. Ladock slightly made up for the disappointment of losing.

Our February speaker, Mrs G Mercer, who is the Red Cross Fundraiser for the South West, found herself taking an unexpected walk along the lane from the Village Hall to the Caple house, where our meeting was reconvened at about 8:45pm due to the failure of the Village Hall heating system on one of the coldest nights of the winter. Now ensconced in super comfy armchairs and sofas, members enjoyed a slightly shortened version of a talk on the work of the Red Cross both at home and abroad. It was most interesting to hear just how much the Red Cross can help the elderly and housebound, with gadgets and the means to get mobile. Many thanks to the Caple family for hosting everyone at absolutely no notice. The following day we had the pleasure of presenting our cheque for £500 to a member of the Cornish Blood Bikers charity, who arrived in full kit and with one of the magnificent bikes. The cheque represented the income from our 'Made in St Erme Christmas Fayre'.

On 2nd March we hold our AGM – 7:00pm in the Village Hall and in April we celebrate our birthday, edging ever closer to our 100th anniversary. Then in May we continue hearing about Queen Victoria.

Our meetings are held at the Village Hall starting at 7:00pm on the 1st Friday of each month (excluding August and January).

The work exhibited by children in the village show never fails to put smiles on our faces. This wooden spoon decorated by Carne Michell is a perfect example and was awarded first prize in his class in the 2017 show.

These beautifully decorated cupcakes entered by Molly Shephard also impressed the judges and she was awarded the blue ribbon for best exhibit across all the children's classes.

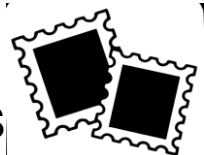

The animals made from fruit and vegetables were firm favourites. Isabella Hawke won first prize for her sheep. Rather than an animal, this year, 5-7 and 8-10 year olds can enter an item

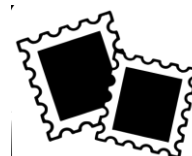

of farm machinery made from fruit and veg instead! Meanwhile if you are looking for perfect activities to keep under-fives busy on a rainy day, think about painting a picture of a butterfly and decorating a paper plate.

The Annual Village Show 2018 will be held at St Erme Community Centre on Saturday 11th August

NEWS from ST. ERME CHURCH for March and April 2018

Good news!

Do you know, St. Erme now has *two* loos? We are delighted!! One is in the grounds of the Church, and the other one is at Kasongo, in the Democratic Republic of Congo, through 'toilettwinning.org'! One in three people worldwide don't have a loo; by supporting this scheme, we are helping to flush away poverty, and all for £65! Individuals, as well as groups, can do this.

March sees us wending our way through Lent, and the daffodils and tulips are a glorious reminder of the resurrected life we shall celebrate on Easter Day.

Lent Lunches will take place in the Village Hall, with a little help from our friends, on 5 Wednesdays from 21 st Feb. – 21st March, 12.30 p.m.

The School Choir will help us prepare for Easter with a Service in Church on **Wednesday, 28th March, at 6.00 p.m.** We're so pleased to welcome them again and that we don't have to wait till Christmas for them to visit. Everyone welcome.

The Cross is the Christian sign par excellence that we think about particularly at Easter.

Like all badges, it tells a story and it says something about identity and belonging to God.

But what about the story behind this sign?

It does, of course, point to the death that Jesus died: this was no ordinary crucifixion.

The Bible explains that the wrongs of the whole world were on Jesus's shoulders that first Good Friday. He was weighed down and crushed by this load. By taking in and upon himself all our sin - without recycling it or paying back - it has been dealt with, and we are forgiven and freed. And our forgiveness also depends on another part of the story of the cross: our hollow chocolate **Easter eggs** remind us of the empty cross and the empty grave. After paying the ultimate price, Jesus' body was taken down from the cross and laid in a tomb. He was then raised from the dead on the first Easter Sunday - new life that he also shares with us now and through all eternity, resurrection proving all that he had accomplished.

So come and share the services and the celebrations! There might be a few eggs around!

Do keep an eye open for special events, including a **Bluebell Walk and Tea**, and the **Annual Meeting**.

St Erme Village Hall

Hello everyone, thank goodness Spring is here or so we hope, I have snowdrops and daffs out in the garden despite the cold wind and rain we have had recently. At our last committee meeting we discussed the feasibility of projects we have planned and funding available. We have quotes for the floor to replace the support and sand the surface and reseal.

The floor has been looking shabby and is in need of attention asap, we have funds available now, raised from events held. The other project we are hoping to get done this year is the disabled access, we can and have applied for a partial grant from the Community Fund towards the cost. We will be holding a Local Charity Table Top sale with a tea and coffee morning on 14 April 10am-12noon in support of village organisations and Penair School pupils from the village who are selling the coffee and tea to raise funds to go to Camp International. There should be something for everyone.

SILVER CIRCLE

2018 started with an exercise class to move a few of those extra Christmas pounds and was immediately followed by the first Chapel Pensioners Lunch which undoubtedly added a few more.

The New Year Party took place on 18th January when a good old fashioned tea party was held. Members thoroughly enjoyed 'Jumbo' Pass the Parcel – filled with small prizes and penalties which saw nursery rhymes and maths tables being recited – backwards – to great amusement from watching members! A lovely tea, provided by members, rounded off a good afternoon.

Parties it seems are like buses – they follow each other and on 27th January a full minibus of members attended the Truro Lions Annual Seniors Party held at Carnon Downs Village Hall. It was a splendid affair, well organised and full of fun. The opening entertainment – a Cornish Duo – took us back to our youth and we were all singing along. We were all charmed by the Duo's 8 year old daughter who sang a song she had written for the occasion. A hard act to follow but the next entertainment – The Perranarworthal Community Choir - simply blew us away. The ability of the singers was outstanding, with delightful harmonies throughout. The singers so obviously enjoyed every moment that they gave every song maximum effort. When we were told that this 30 strong choir was just a part of the full 70 member choir, it was hard to imagine the volume level of the full choir. We were given a fantastic tea to conclude a fantastic afternoon. Our grateful thanks to Truro Lions and please put us on the list for next year.

Into February and the AGM. Reports reveal that the Club is financially stable and we have a full events programme planned for the coming year. The programme is now printed and available and shows a main meeting where activities vary on the 1st Thursday of each month at the Village Hall. On the 2nd Thursday an Exercise Class starts at 10:30am in the Chapel Sunday School Rooms followed by the Pensioners Lunch – 12 for 12:30pm The 3rd Thursday until May will be Craft Sessions from 2:00pm at the Chapel Rooms and from May until September there will be minibus outings (times and Venues will vary). From October onwards Craft Sessions will resume on this Thursday, with occasional Christmas shopping outings by minibus in Nov/Dec fitted in on different days. On the 4th Thursday Exercise Classes will be held as before.

We are still struggling with setting up and clearing the hall – younger, fitter help would be much appreciated. Anyone over 55 years is very welcome to join us as a member. The membership fee is just £10 for the year and we subsidise all events as much as we can.

The Club will celebrate St Piran on the 1st March with a Pasty & Pud Lunch in the Village Hall, 12 noon for 12:30pm. Finally, Members would like to state their support for the Village Voice AND also their support for the Fun Day, which celebrates it's 20th Anniversary this year. We hope that everyone will support this 3 days of entertainment. If you would like to join the Silver Circle in the future or would like further information please contact: Jo on 321599 OR Margaret on 241671

WARNING NOTICE

Do you have insurance for your water pipes (external & internal) with a company called HOMESERVE? If so you need to check your current renewal increase. You may be very surprised at the level of increase. We recommend that YOU DO NOT PAY until you have spoken to the company and told them you cannot afford the increase if it is over £10 on the previous year. We do not know what the game is but members of local groups in the village have found vast variations in the policy increase with no added benefits. It does seem pensioners are being ripped off. One member of the Silver Circle was charged £198 and when she refused this increase her bill was reduced within 10 minutes by over £160. Another was charged £99, an increase of £30 on the previous year – They refused to pay and was almost immediately told a £10 increase would be made instead. Others have taken the same route and received discounts to match. We all have water pipe insurance and our policies seem to match and none of us have made any claims but suddenly huge increases have been levied. We need to stand up to this company. The editors have the Writer's details if anyone needs more information but **HOMESERVE CUSTOMERS BE WARNED.**

Cornwall Ostomy Support is a locally based group dedicated to providing help and support to people who have had or are about to have an operation resulting in some form of “pouch”. This may well be a Colostomy, Ileostomy, Urostomy, J pouch or similar. We also support people who have had a reversal, their family /partner.

It is not well known but there are well over 1500 people in Cornwall who live a full and active life after their operation and we aim to support them by arranging monthly social activities on the first Tuesday each month at Carnon Downs Village Hall at 2pm. We also run other events including Quiz nights which also take place at Carnon Downs on the third Wednesday each month at 7pm along with special one off events such as Christmas lunch at the Falmouth Hotel and lunches and cream teas at various venues. Being based locally a majority of our members live in the Feock, Carnon Downs, Truro area.

While we do not give medical advice we are often able to help based on our own experiences and can advise you where best will suit your particular issue. Worried about flying, going abroad or travel insurance? All these things are very possible and we can advise you on this.

Details of all our activities along with contact details can be found at www.cornwallostomysupport.org.uk or you are welcome to join us on Facebook at [Facebook.com/groups/cornwallostomysupport](https://www.facebook.com/groups/cornwallostomysupport).

Play facility run by Truro Nursery for parents / carers and babies / pre school children £3.00 per session.

Every Friday (term times) from 1.30 p.m. to 3.00p.m.at school.

We are a happy, hard working and successful village school rated by OFSTED in 2015 as consistently good and outstanding, with outstanding behaviour and safety. Central to our school community is a very positive ethos of high academic standards, excellent behaviour and independent learning. Our children are happy and enthusiastic learners and achieve very well. We make our learning environments and our lessons engaging and fun and we have a thriving Early Years Foundation Stage Unit for children aged 3 to 5 with excellent indoor and outdoor learning facilities. If you are considering a school place for your child and would like to come and look around during the school day, please contact us and I will be happy to show you around and answer any questions you may have. Alternatively, if there is any information you can't find on our website then please do get in touch by calling in, by email or by phone.

We look forward to meeting you!

Community Benefit Monies

We have received several requests for the Community Benefits monies from organisations in the parish. We will be launching these requests at our Annual Parish Meeting being held on Tuesday 20th March 2018 at the St Erme Community Centre at 7.30pm.

We will then carry out a consultation in the parish for the community to choose the project/s that they wish the funds to be distributed to; this could be one or several projects.

Please look out for the consultation over the next few weeks.

Annual Parish Meeting

The Annual Parish Meeting of St Erme will be held on Tuesday 20th March 2018 at the St Erme Community Centre at 7.30pm.

What is the Annual Parish Meeting?

Strictly this is the Annual Meeting of the Parish. It is also known as the Annual Parish Meeting. The Annual Parish Meeting is the meeting where the parish council report to its electorate on what it has accomplished in the preceding year. Electors, public and press are invited to hear reports and updates from the Council. The Council may also invite the local community policeman to address and inform the audience on community matters. Representatives from village organisations or speakers on other bodies may be asked.

The Annual Parish Meeting is a SEPARATE meeting from the Parish Council Annual Meeting. The Annual Parish Meeting should be a relatively informal event for the community whereas the Annual Meeting of the Parish Council is a formal council meeting where they elect the chairman, and make other annual appointments.

This year we are inviting the community Police Officer and a representative from the Neighbourhood Plan Steering Group. We will also be launching the Community Benefit requests.

Please come along and have your say.

Refreshments will be available

Devon & Cornwall Neighbourhood Watch

Various watch schemes are running throughout Devon, Cornwall and the Isles of Scilly. These are managed by Devon and Cornwall Community Watch Association (DaCCWA).

A watch scheme is a group of like-minded people getting together to help reduce crime and make their community safer. Neighbourhood Watch covers urban areas, such as cities, towns and villages.

Aims of Neighbourhood Watch

- To prevent crime by improving security, increasing vigilance and maintaining a caring community.
- To assist the police in detecting crime by encouraging prompt reporting of criminal or suspicious activity.
- To reduce undue fear of crime by providing accurate information about risks and by promoting a sense of security and community spirit.

To improve communication between police and the community by fostering regular contact and liaison.

How the schemes work

- Schemes are run by their members and led by a resident volunteer co-ordinator, whose job it is to get people working together and make sure things get done.
- The scheme co-ordinator liaises with the police and acts as a voice for the community. Some schemes also have a committee that meets regularly to plan which problems to target and what actions to take.
- Schemes are supported by the police, the local authority and their local Neighbourhood Watch Forums.
- Neighbourhood Watch schemes vary in size – they can be large, covering most of the houses on an estate, or they may involve just a few houses.

How to join or set up a scheme

To find out about Neighbourhood Watch schemes in your area or to discuss setting up a new scheme, contact your Truro Watch Office.

Car Parking

We are regularly notified of inconsiderate parking in the village.

Examples of inconsiderate parking are blocking or parking too close to garages and driveways, parking on grass verges or pavements or on junctions.

Please also remember that inconsiderate parking can also effect the emergency services attending incidents which could be life threatening. This could effect any one of us.

We are in a rural agricultural community with modern day farm practices which sometimes require access along the roads with large machinery.
