**Senior Citizens Lunch and Hall Bookings -
Bridget Dymond 01872 262824**

The current Chapel was opened in 1846 and continues to offer Sunday Worship after more than 171 years. It does not exist just for Worship but is involved in many of the Community activities including Horticultural Show, Fun Day and Women's Institute and provides a Senior Citizens lunch. If the Community Centre or Village Halls are not available for a function then our hall might be able to help. Whilst the primary purpose is the Worship of God we try to offer friendship and support in whatever ways we can in an environment that seeks to enable everyone to feel at ease.

If you are feeling lonely or in need of friendship please contact us.
