SPEED RESTRICTIONS FOR ST ERME

We held a consultation on 25th January 2020 regarding extending the speed limits further along Trispen Hill and reducing the speed limit to 20mph within the main areas of the village. This also included a 'Village Gateway' at Trispen Hill.

Thank you to those that supported the event and responded to the consultation.

It was good to see that the responses showed 100% support for the preferred scheme put forward by the Parish Council.

Our scheme will be considered by the Truro & Roseland Community Network Area as part of their Highways Projects.

If successful this will then go to a full Highways Statutory Consultation.

Annual Parish Meeting

The Annual Parish Meeting of St Erme will be held on Tuesday 17th March 2020 at the St Erme Community Centre at 7.30pm.

What is the Annual Parish Meeting?

The Annual Parish meeting is where the parish council report to its electorate on what it has accomplished in the preceding year. The Council may invite the local community policeman to address and inform the audience on community matters. Representatives from village organisations or speakers on other bodies may be asked to attend.

The meeting is a relatively informal event for the community. Please see the poster in this issue for details of this year's Annual Parish meeting.

Please come along and have your say.

Can an emergency vehicle get past your parked car in an emergency?

#ThinkB4Upark

Follow these simple steps to prevent delaying our service

If you have a fire hydrant outside your home, try to avoid parking over it as we may need it quickly day or night.

Make sure your home is clearly numbered and visible from the street. You never know when we might need to find it.

If your street or road sign is broken or vandalised, inform your local council to get it repaired.

When parking, please ensure you have left enough room for a fire engine to pass.

A fire engine measures 2.6m (8ft 6in) wide and 10m long (32ft 6in).

If you do not leave enough room, the emergency service will be delayed in getting to the emergency and lives may be at risk because you parked inconsiderately.

Lets all work together to make Cornwall safer

Do you wish for St Erme Parish Council to Develop a 'Climate Emergency Action Plan'?

A few people have put their names forward to join a 'Climate Emergency Action Plan' steering group for St Erme. We need a few more people to come forward to help get this up and running.

Would you be prepared to join an Action Group?

The Climate Change Act (2008) made the UK the first country to establish a long-term legally binding framework to cut carbon emissions. It contains a target requiring emissions reductions by at least 100% by 2050. To limit the most damaging impacts of climate change, we need to reduce greenhouse gas emissions globally. A wider legal commitment – The Paris Agreement also exists, spanning the UK, the EU and globally, to address climate change.

But it will take more than just legislation to ensure we tackle the problem. There are significant benefits of the UK acting now to reduce its emission. We can make a start to address some areas within our community

We need to get enough members of the community involved to be able to take this forward!

Would you be interested in joining an Action Group to work alongside the parish council?

Please register your interest by contacting the clerk by e-mail clerk@stermeparishcouncil.org.uk

Meetings

Members of the public are welcome to attend any meetings and are given 15 minutes during public participation to discuss any items on the agenda.

Meetings are usually held on the first Tuesday of the month at the St Erme Community Centre. Occasionally there may be extra meetings when required due to planning application deadlines or any urgent business that may arise and the venues of meetings may be different, please check on the agenda.

The agendas of all meetings are displayed in the notice boards three clear days before and meetings commence at 7.30pm unless otherwise stated.

The next meetings of the council are as follows:

Tuesday 3rd March 2020

Tuesday 17th March 2020 Annual Parish meeting

Tuesday 7th April 2020

Tuesday 5th May 2020 Annual meeting
