Welcome to Summer (apparently),
I hope you have all enjoyed some of the glorious spring days we have seen & hope we have many similar days over the Summer months. Yet again, I look forward to upcoming events, local events like the fun day, the horticulture show as hopefully my little one's sunflowers will continue to grow strong & tall! Plus additional picnics, beach evenings, garden bbqs & family fun days. It sounds idealistic when written like that, but most days never quite go as planned! Late starts, meltdowns over shoes, realizing I forgot to fuel the car or buy the charcoal, too much traffic, too hot or too wet, and that's just the mornings! We will make our own fun either way, and I'm lucky to wing-it most days (probably why I forget the fuel or the charcoal!), but I hope your summer days go as planned as possible, that you get to have plenty of fun, rest, peace & giggles.

Silver Circle

Having missed out on the last issue of the Parish Post we missed the reporting on the Club's celebration of the 80th anniversary of VE Day. Members fully entered the spirit of the occasion by dressing up in time-appropriate clothing, looking very splendid sitting together around the fabulously decorated tea tables, they listened as Winston Churchill spoke of his hopes for the country at the start of the war. It was very moving. The afternoon involved singing plenty of war time songs, old fashioned pub games and a 1940's Afternoon Tea. Raffle & prizes reflected the 1940's, with tins of spam, a few eggs, butter and sugar, all hard to come by without coupons! Despite war time deprivations, a good time was had by all!

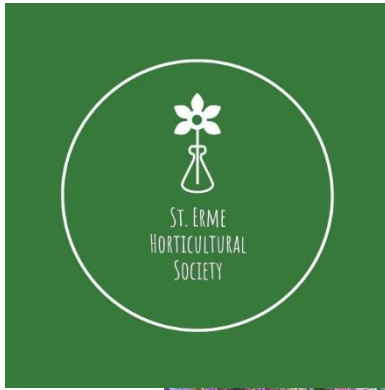

May saw the minibus trips recommence with a visit to the Museum of Cornish Life at Helston. Everyone agreed this is well worth a visit. We moved on to Porthleven for a couple of hours of sea air rounded off by ice cream!!

In June we shall be visiting the Duchy of Cornwall Nurseries with hopes of returning with lots of plants.

July brings the Silver Circle to its 30th Anniversary since restarting under the guidance of Roselle Trevethan. We will celebrate by enacting Royal Ascot for the afternoon, big hats will be required!

Remember that Exercise Class and Singing group still function every week on Wednesdays, with the Craft group busy on the third Thursday of each month.

We welcome everyone aged 55 and over, do come and see what we do. For more information call Jo on 07483859788.

St Erme Parish Church

Dear Friends and Neighbours,

As I write the birds outside my window are singing their best to the glory of God, it is a new day and they seem to be so very excited! I love hearing the dawn chorus, it is always so cheerful. The bible tells us that birds (specifically mentioning sparrows) are precious to God, and we (you and I) as children of God are so much more so and that we have been given a particular task, that being to take good care of all creation.

We are called to be good stewards, to look after the environment i.e. the skies, the seas, the rivers, the land and to look after each other. We (collectively) have not always been very good at doing this. In Truro Diocese we are being encouraged to join up with A Roche and to challenge ourselves to become an 'eco church' working towards bronze, silver and gold awards in our efforts to minimise our impact on the environment. These awards look at how we use our resources such as the building, and how we take care of the land. It is not just the church building, but any church halls, parsonages and churchyards we might have in our care. And we need your help!

Already several people come and form working parties to help keep the churchyards tidy, and I want to thank you for this. People often comment on how tidy and welcoming the church yard is and this is down to you and the time you give for free. I am always very impressed with the care and dedication you give to supporting your local church.

But, we also need the support of all who come and visit the church yard as a green space and as a place of remembrance. We would like to ask if you will help us to make the churchyards as 'green' as possible by using only natural items at burial sites, so removing plastic wrapping, not using wire or plastic, or introducing extra vases or decorations. We also need to ask if you can take home and dispose of any unwanted debris as the Council do not empty any bins in the churchyards. We are looking at introducing compost bins for natural wastage. We will always need to ask for you to pick up after your dog and to take that home for disposal. The church yard is often used by people of all ages and we would like it to be safe for all including all wildlife.

Then God blessed them and gave them this directive: "Be fruitful and multiply. Populate the earth. I make you trustees of My estate, so care for My creation and rule over the fish of the sea, the birds of the sky, and every creature that roams across the earth." (The Voice Genesis 1:28)

Grace and peace,

Fear Not

Exam season & the anxiety it produces for pupils, teachers & parents for 2025 is drawing to a close & an enjoyable summer lies ahead.

The story is told of a university professor conducting a final exam. He was known as fairly grumpy & strict. In his instructions he made it clear to his students that when time was called all students should put down their pens & stop writing. He made it clear that anyone who didn't stop would automatically fail the exam. The examination took place in a large auditorium. At the end of the examination, when time was called, all the students, except one, stopped writing as they had been instructed. That student kept on writing for a minute or two until he was stopped by the professor and informed he had now failed the exam.

After a moment of thought, the student walked to the front of the room with his exam script. He bravely asked the professor "Do you know who I am?" 'No" said the professor "I don't, and it wouldn't matter."

"Wonderful" said the student, 'That's great!' and he placed his exam script in the middle of the pile of scripts from the class already handed in, turned around and left the room at speed!

It is not only exams that make people anxious these days. We live in an anxious world. Young and old find themselves anxious about many things. There is no need to list the wide variety of things that prompt anxiety in us.

Evolution has provided us with a wonderful response system to help us if we find we are in danger. If our forebears' lives were under threat from a sabre-toothed tiger the amygdala would spark an instant response, and the adrenaline rush to empower them to fight, or run (flight), or freeze, depending on what was required to stay alive. Staying alive was something you really wanted to do!

We still have that important part of the brain to make sure we are ready to cope with any dangerous situation.

The negative part of this inheritance is that while it needs to remain switched on at all times to protect us, it also takes on board many other things that are not life-threatening. Our personal fears and anxieties - criticism, failure and rejection can all trigger that same fight, flight, freeze response. Living with constant fears and anxiety does nobody any good.

A pupil was writing a particularly difficult exam and was totally stumped on one question. No matter how much the pupil tried to remember what was in the notes it just seemed impossible. No amount of racking the brain helped in any way to answer the question.

In desperation the pupil wrote. "Only God knows the answer!"

When the teacher returned the exam scripts after they had been marked the teacher had written alongside. "Only God knows the answer": "God gets 100%; you get zero!"

Possibly some sort of faith can enable us to manage our fears and anxieties. It is interesting to note that the words "Do not be afraid" or "Fear Not" occur 365 times in the bible. One "Fear Not" for every day of the year! (I did not count them & I am not going to quote them all!)

A Hebrew word that is helpful if we are anxious is the word "Shalom." It is used as a greeting and usually translated as "peace." "Shalom" however means far more than just the absence of conflict. It is an invitation to work together for the common good. The untrammelled free growth of the soul in conjunction with other souls. Working together without fear as families, as communities, to achieve what is beneficial to all.

Working together to counteract our anxieties. Fear Not. Shalom.

IMPORTANT NOTICE

ST ERME NEIGHBOURHOOD PRIORITIES STATEMENT (NPS)

WHAT IS AN NPS?

St Erme Parish Council have been selected to carry out a Neighbourhood Priorities Statement (NPS) for St Erme. We will be part of a pilot project to prepare and produce an NPS and are one of the ten Council's in Cornwall that have been given this opportunity.

A NPS gives residents a real opportunity to shape the future of their area. It allows the community to identify local planning priorities, highlight areas suitable or unsuitable for development, and suggest the kind of infrastructure investments that will help ensure any future developments benefits the Parish. It enables residents to set clear design expectations for new developments to ensure they enhance the character of St Erme Parish.

It is a visioning and objective project which addresses and describes the needs over the next 10-15 yrs for housing, use of land, management & development, infrastructure, transport, economy, services, community facilities, design character, heritage, nature environment & climate change, and open spaces.

WHY IS IT IMPORTANT?

The NPS document, will be subject to public consultation.

Once NPS is completed Cornwall Council 'must have regard' to the NPS when preparing its "Local Plan"

HOW TO GET INVOLVED?

We need more community members to join our 'Steering Group,' which is currently made up from three members of the council and three members of the community.

Please contact Sally clerk@stermeparishcouncil.org.uk or call 07525130663 if you would like further information or would like to join the steering group. We are aiming to meet at least once or twice a month.

'Let's Talk Survey' 'Help us to influence the next Cornwall Local Plan' and have a say in how growth affects our area.

Details on how to complete the survey are in this addition of the St Erme Parish Post.

This is important for the future of YOUR Parish and YOUR community.

HAVE YOUR SAY

The "Let's Talk" survey is now available for residents to have their say about where they live and what the priorities should be for the future.

The survey is part of Cornwall Council's "Let's Talk" facility and should be completed based on your own parish/locality/neighbourhood (St Erme)

You can find the survey on-line at
<https://letstalk.cornwall.gov.uk/planning-for-our-future>

Alternatively, you can access and complete the survey on a mobile device using the QR code in the associated image on the next page. A hard copy of the survey is available at Trispen Post Office & Stores, please complete and return in the box provided.

PLEASE TAKE THIS OPPORTUNITY TO 'GET INVOLVED'.

We ask that you complete the survey by 31st July 2025, although the survey will remain open for longer.

We will be holding two drop-in events where you can find out further information or ask any questions on

**Saturday 5th July 2025 at the St Erme Village Hall
10.00am to 12.00 noon.**

**Friday 11th July 2025 at the St Erme Community Centre
6.00pm to 9.00pm.**

The information gathered will go towards forming

Most places in Cornwall will need to build new homes in the period to 2050. This is your opportunity to help us tell Cornwall Council how growth can benefit our community. Share your thoughts on

- **WHERE** new homes should be built and the areas that should be **PROTECTED** from growth
- The **TYPE** of new homes that we need
- The **DESIGN** of new homes
- The **COMMUNITY FACILITIES** that will help our communities to thrive
- The **GREEN SPACES** that should be improved or protected
- How we should support our local **ECONOMY** and encourage **JOBS**
- Where **CONNECTIONS** could be improved to make it easier to reach key destinations

Cornwall Council will share responses for our parish, and we'll use your feedback to produce a **Neighbourhood Priorities Statement (NPS)**, setting out our priorities for the future.

You will have the opportunity to comment on our NPS before we submit it to Cornwall Council.

Scan the QR Code take the survey. Please complete the survey by **31st July 2025**.

All responses to the survey, including any received after this date, will be used by Cornwall Council as evidence for the policies in the new Cornwall Local Plan.

St Erme Cricket Club

At the time of writing this article, 13/6/25, we are delighted that the First Eleven have reached the Vinter Cup semi final for the first time and will be playing Premiership St Just at Redruth on Wednesday 18th June. In addition, the Second Eleven have reached the semi final of the Andrew Cup with the opponents, date and venue yet to be decided. We are now a third of the way through the season with results being a 'mixed bag'. The Third Team, mostly made up of under 16's, are currently top of their league and the Seconds in a good position to push for promotion.

Junior Coaching takes place each Friday (weather permitting) from 6:30pm to 8pm, when we also offer for purchase pizza and burgers etc.

If you would be interested in volunteering and/or ball/board sponsorship please send an e-mail to the below address. We would be delighted to hear from you.

If you would like to know anything additional regarding our club, please do not hesitate to contact our secretary, Nick Cole on 07871743137 or stermecricketsecretary@hotmail.com

St Erme Health & Wellbeing Group – St Erme Parish Council

‘Community Connections’

The Health and Wellbeing Group, on behalf of the Parish Council, has been looking at opportunities to improve lives. We delivered a survey to every household in the parish in Autumn 2024, and a significant number of respondents stated they did not know about local groups, facilities etc.

We are pleased to launch Community Connections. It has information on local organisations and the range of activities available. It also highlights the role of volunteers in organising and delivering activities, which not only benefit the community but the volunteers themselves.

We are publishing the electronic version first to allow for any additions and other changes before going to print in a few weeks' time. You can access an electronic copy from <https://www.stermeparishcouncil.org.uk/> and through links on the Council's and other local Facebook pages. If you have any comments, changes or additions, please contact us at: clerk@stermeparishcouncil.org.uk

St Erme Parish Church: Wild Church

We are looking to start a 'Wild Church' in the churchyard at St Hermes Church. These will run 4x round the year come rain or shine, beginning in August. Do look out for posters around the village.

Wild Church is aimed at people of all ages but is particularly family friendly with activities in the church yard, refreshments & maybe even some campfire cooking.

This is a new way of connecting with all creation and giving thanks for the beauty of the earth and all that lives in it. All are welcome, we will look forward to meeting you.
