## Coronavirus — COVID 19

St Erme Parish Council with the St Erme Emergency Plan Committee are working with Cornwall Council's Community Link Officer and other volunteer sectors to support our local community.

It is heartening that local people have already come together and volunteered to help those in need, these kind people have been added to our existing Community Emergency Plan volunteers.

The Emergency Plan Committee has sent out leaflets to every household on how you can access help if required. A dedicated Facebook page (St Erme Parish Community Emergency Plan) has been set up to keep you up to date on government advice and any services available to you.

If you know of any residents who need support, or if there are any local issues related to the COVID-19 response, please let the Parish Council know. If we are unable to help locally, with your permission we will forward the information through to the Community Link Officer, who will be best placed to organise a response from the relevant team at Cornwall Council and associated partner organisations.

**Please contact Sally Trethewey (Clerk to the council) on: 07525130663 or email: [clerk@stermeparishcouncil.org.uk](mailto:clerk@stermeparishcouncil.org.uk)**
